It identifies a group of oxygen sensors, with the same working specifications and mounting features, but with different wire length. Oxygen sensors with longer wires can replace similar models with shorter wires.

- è un raggruppamento codificato di sonde lambda con funzionalità e montabilità uguale, ma con lunghezza del cavo diversa. È possibile l'utilizzo di una sonda con cavo più lungo in sostituzione di un'altra con il cavo più corto.
- Il s'agit d'un groupe de sondes de richesse avec les mêmes caractéristiques techniques et de montage, mais avec longueur de câble différente. Il est possible l'emploi d'une sonde avec le câble plus long en lieu d'un modèle avec câble plus court.
- Es handelt sich um eine Gruppe von Lambdasonden mit selber Funktionalität und Montage, aber mit verschiedener Kabellänge. Sonden mit längerem Kabel können Sonden mit kürzerem Kabel ersetzen.
- Se trata de un grupo codificado de sondas lambda con las mismas características técnicas y de montaje, pero con diferente largo de cable. Es posible utilizar una sonda lambda con cable más largo en lugar de un modelo parecido con cable más corto.

GENERAL CONDITIONS OF SALE

1. SCOPE AND EFFECTIVENESS

All supplies of products made by Facet S.r.l. (the «Seller») to a customer (the «Buyer») are governed by these general terms and conditions which shall prevail on purchase conditions of the Buyer, as well as by any special conditions provided for in offers and/or order confirmations by the Seller. In the case of conflict between the general terms and conditions and the special conditions, the latter shall prevail. The data and illustrations relating to products appearing in the Seller's catalogues or brochures are indicative in nature and not binding, unless expressly provided so in the order confirmation by the Seller and may be subject to changes in design and materials without notice. The original product codes indicated in the catalogues and in other documents are mentioned only for the purpose of identifying the spare parts. The Seller supplies only products of its own production identified with its own product codes and not products having OE codes.

2. COMPLETION OF THE CONTRACT

The supply contract is considered being completed only on the Seller's written confirmation accepting the Buyer's order. The Seller reserves the right not to accept orders in cases where there is a dispute with the customer relating to a previous order.

3. PRICES AND PAYMENTS

Unless otherwise agreed, payments of the price must be carried out by the Buyer in accordance with the terms and conditions provided and using the method provided for in the order confirmation at the domicile of the Seller. Payments made by the Buyer to finders and/or agents without a special Power of Attorney will not be enforceable on the Seller. In the event of a delay in payment, the Buyer will be liable for the payment of late payment default interest at the rate of the European Central Bank in force on that date plus 7 (seven) points. In every case, the Seller has the right to ask for compensation for the greater damage suffered. The Buyer will not for any reason, except with written authorisation, be able to off-set or retain sums due to the Seller, nor will he be able to suspend payments. The prices of the products are to be considered in Euros and do not include VAT, packaging, transport and insurance costs. The Seller may change the prices and rates in force at any time and without notice, except for ongoing orders. Price increases are possible for increases in raw materials, labour, transport, insurance premiums, etc.

4. TERMS OF DELIVERY AND PRODUCTION

Unless otherwise stated in the order confirmation, supplies of the products are intended for goods delivered in accordance with Incoterms 2010: FCA Orbassano. The goods always travel on behalf of and at the risk of the Buyer.

The terms of delivery are indicative and in the event of delay the Buyer is not entitled to request termination of the contract and/or compensation for damages.

5. RETENTION OF TITLE

The delivered products remain the property of the Seller until full payment of the price has been received.

The Buyer shall have the right to sell the purchased products, or the new products which incorporate the products supplied by the Seller, on the understanding that in such cases, all the proceeds will be transferred to the Seller right down to the agreed price due from the Buyer to the Seller for the supply of such products.

The right to sell the products shall lapse if the Buyer has failed to comply with payment obligations for a period greater than 20 (twenty) working days after the payment deadline. In such event, it will be the responsibility of the Seller to revoke the right to sell in writing to the Buyer. The Buyer should put in place every measure necessary for the protection of the products subject to the retention of title, and any other measure necessary to not confuse the products of the Seller with products from other suppliers and keep the products of the Seller in well defined areas and easily identifiable.

6. RESPONSIBILITY OF THE SELLER AND LIMITS

The Seller is exclusively responsible for the correct production of products supplied, which will require to have all the features provided by the Seller in the order confirmation. The Seller does not assume any responsibility, however, for possible faulty operation of machines or systems made by the Buyer using products supplied by the Seller.

The products must be properly installed by trained and qualified technicians only, in accordance with the vehicle specifications and complying with the requirements of national regulations.

In such cases, the Buyer will not be able seek damages for lost profits, loss of production, reputational damages, vehicle breakdown.

The liability of the Seller is, however, limited to the value of the goods supplied, unless due to serious negligence or willful misconduct within the meaning of the law.

7. FORCE MAJEURE

Should the Seller be unable to comply with the contract for reasons of force majeure or independent factors outside his control, the deadlines for the supply shall be automatically extended for a period equivalent to the lingering effects of the force majeure event. The following are to be regarded as causes of force majeure (without limitation): lack of energy or raw materials, strikes, public administration measures, impediments to circulation or to production activities.

8. COMPLAINTS and ACCEPTANCE OF PRODUCTS

Any complaint concerning the non-conformity of the goods delivered or for damages caused by transportation or for any missing quantities with respect to the products ordered, must be communicated by registered letter, with receipt acknowledgment, addressed directly to the Seller within 8 (eight) days from the date of delivery of the products in the case of visible defects and within 8 (eight) days from the discovery in the case of hidden defects, and in any case, within a month from delivery, with a detailed explanation of the facts. In the event of non-compliance with the above, the amounts invoiced are considered, to all effects, accepted and no longer contestable by the Buyer.

The return of goods will not be accepted unless previously agreed in writing by the Seller.

9. CONFORMITY TO THE SPECIFICATIONS AND GUARANTEE TERMS

The Seller guarantees that the products will be compliant with the technical specifications declared by the Seller to the Buyer in the order confirmation and the guarantee will be valid for 2 (two) years from the date of delivery of the products and for products or parts replaced, from the day of their replacement.

During the guarantee period, the Seller to whom the Buyer has made a formal notice of the defects, undertakes, at his own discretion, and within a reasonable period of time, to repair or replace the products or the defective parts free of charge. The costs and risks of transportation of the defective products to the Seller's address are borne by the Buyer. The replaced products remain the property of the Seller.

The guarantee is considered lapsed where the end use of the product does not conform with the regular use of such products or not provided for in the catalogues of the Seller or if the products have been modified or repaired without the Seller's authorisation.

10. GUARANTEE OF THE SUITABILITY OF THE PRODUCTS ONLY TO EU RULES

The Seller guarantees that the products will conform to the standards of the European Union (EU) as they may be applicable.

No guarantee is issued by the Seller for the conformity of these products with the rules and regulations, expressly including those rules regarding safety and accident prevention, in force in the Buyer's country, where those reside outside the EU, or more generally, in any country that does not belong to the EU in which the supplied products are used.

11. CONFIDENTIALITY AND DATA PROTECTION

Documents of any kind provided by the Seller shall remain the Seller's property and cannot be transferred to a third party or reproduced. The Buyer undertakes, even after the end of the contract, not to disclose commercial secrets and confidential information that the Buyer has been party to or which has come to his knowledge in the course of his relationship with the Seller.

The Seller herewith declares that he will use the personal data transferred by the Customer in respect of the terms provided under the Italian privacy law (Legislative Decree n. 196/03).

12. TERMINATION OF THE CONTRACT

The contract may be terminated pursuant to art. 1456 of the Italian Civil Code by virtue of a simple written declaration on the part of the Seller, taking advantage of this termination clause if the Buyer:

- omits or delays payments due;

- is placed in liquidation or has been subject to any insolvency proceedings.

13. INTELLECTUAL PROPERTY

The Seller retains the intellectual property of projects, studies, drawings, models and products which are realised or made in his name and on his behalf. The brands under which the products are sold may not be used by the Buyer if they are not identified as such.

14. APPLICABLE LAW AND DISPUTE RESOLUTION CLAUSE

CONDIZIONI GENERALI DI VENDITA

1. AMBITO DI APPLICAZIONE E EFFICACIA

Tutte le forniture di prodotti effettuate da Facet S.r.l. (il "Venditore") a un cliente (l'"Acquirente") sono disciplinate dalle presenti condizioni generali che prevalgono sulle condizioni d'acquisto dell'Acquirente, nonché dalle condizioni particolari previste nelle offerte e/o conferme d'ordine del Venditore. In caso di contrasto fra quanto contenuto nelle condizioni generali e nelle condizioni particolari, queste ultime prevorranno.

I dati e le illustrazioni relative ai prodotti risultante dai cataloghi o prospetti del Venditore hanno carattere indicativo e non valore vincolante se non espressamente previsto nella conferma d'ordine del Venditore e possono essere soggetti a modifiche di disegno e materiale senza preavviso.

I numeri originali (OE) indicati nei cataloghi od in altri documenti sono menzionati solamente al fine di identificare le parti di ricambio. Il venditore fornisce unicamente prodotti di propria produzione contrassegnati con il proprio codice articolo e non prodotti con i numeri OE.

2. FORMAZIONE DEL CONTRATTO

Il contratto di fornitura si perfeziona con la conferma scritta del Venditore di accettazione dell'ordine dell'Acquirente. Il Venditore si riserva il diritto di non accettare ordini nel caso in cui vi sia una controversia con il cliente relativa ad un ordine precedente.

3. PREZZI E PAGAMENTI

Salvo diverso accordo, i pagamenti del prezzo devono essere effettuati dall'Acquirente nei termini e con le modalità previsti nella conferma d'ordine presso il domicilio del Venditore. I pagamenti fatti dall'Acquirente a procuratori e/o agenti senza una procura specifica non saranno opponibili al Venditore.

In caso di ritardo nei pagamenti, l'Acquirente sarà tenuto al pagamento degli interessi moratori pari al tasso della Banca Centrale Europea in vigore a quella data, maggiorato di 7 (sette) punti, salvo in ogni caso la facoltà per il Venditore di chiedere il risarcimento del maggior danno subito.

L'Acquirente non potrà per qualunque motivo, salvo autorizzazione scritta, compensare o trattenere somme dovute al venditore, né potrà sospendere i pagamenti.

I prezzi dei prodotti si intendono in Euro e non comprendono IVA, imballo, spese di trasporto e assicurazione. Il Venditore può modificare i prezzi e le tariffe in vigore in ogni momento e senza preavviso, salvo per gli ordini in corso. Ciò se si verificano rincari delle materie prime, della manodopera, dei trasporti, dei premi d'assicurazione, etc.

4. TERMINI DI CONSEGNA E RESA

Se non diversamente stabilito nella conferma d'ordine, le forniture dei prodotti si intendono per merce resa secondo Incoterms 2010: FCA Orbassano. La merce viaggia sempre per conto e rischio dell'Acquirente.

I termini di consegna si intendono indicativi e in caso di ritardo l'Acquirente non ha il diritto di richiedere la risoluzione del contratto e/o il risarcimento dei danni.

5. RISERVA DI PROPRIETÀ

I prodotti consegnati restano di proprietà del Venditore fino al completo pagamento del relativo prezzo.

L'Acquirente avrà il diritto di vendere i prodotti acquistati, o i nuovi prodotti in cui i prodotti fornitigli dal Venditore siano stati incorporati, fermo restando che in tal caso tutti i proventi verranno trasferiti al Venditore fino alla concorrenza del prezzo dovuto dall'Acquirente al Venditore per la fornitura di tali Prodotti.

Tale diritto di vendere i prodotti decade qualora l'Acquirente sia rimasto inadempiente all'obbligo di pagamento per un periodo di tempo superiore a 20 (venti) giorni lavorativi rispetto alla scadenza. A tal fine, sarà onere del Venditore comunicare per iscritto all'Acquirente la revoca del diritto a vendere. L'Acquirente dovrà porre in essere ogni misura necessaria per la protezione dei prodotti oggetto della riserva di proprietà, nonché ogni misura per non confondere i prodotti del Venditore con i prodotti di altri fornitori e conservare i prodotti del Venditore in spazi ben delimitati e facilmente individuabili.

6. RESPONSABILITÀ DEL VENDITORE E LIMITI

Il Venditore è esclusivamente responsabile della corretta produzione dei prodotti forniti, che dovranno avere le caratteristiche previste nella conferma d'ordine del Venditore. Il Venditore non assume, invece, alcuna responsabilità per l'eventuale difettoso funzionamento di macchine o sistemi realizzati dall'Acquirente con i prodotti forniti dal Venditore.

I prodotti devono essere installati in modo appropriato solo da tecnici competenti e qualificati, conformemente alle specifiche del veicolo e rispettando i requisiti delle normative nazionali.

In ogni caso, l'Acquirente non potrà chiedere il risarcimento dei danni per mancato profitto, perdita di produzione, perdita di immagine, fermo dell'autoveicolo.

La responsabilità del Venditore è, comunque, limitata al valore della merce fornita, salvo dolo o colpa grave ai sensi di legge.

7. FORZA MAGGIORE

Qualora il Venditore sia impossibilitato a rispettare il contratto per cause di forza maggiore o comunque indipendenti dalla sua volontà, i termini previsti per l'esecuzione della fornitura sono automaticamente prorogati per un periodo equivalente al perdurare degli effetti dell'evento di forza maggiore. A tal fine, sono da considerarsi cause di forza maggiore, ai fini esplicativi e non esaustivi: carenza di energia o di materie prime, scioperi, provvedimenti della pubblica amministrazione, impedimenti alla circolazione o alle attività produttive.

8. RECLAMI ed ACCETTAZIONE DEI PRODOTTI

Qualsiasi reclamo relativo alla non conformità delle merci consegnate o per danni conseguenti al trasporto o per eventuali quantità mancanti rispetto ai prodotti ordinati dovrà essere comunicato per lettera raccomandata con avviso di ricezione indirizzata direttamente al venditore entro 8 (otto) giorni dalla data di consegna dei Prodotti, in caso di vizi palesi ed entro 8 (otto) giorni dalla scoperta in caso di vizi occulti, e, comunque, entro un mese dalla consegna, con una dettagliata esposizione dei fatti. In difetto, gli importi fatturati si intenderanno, a tutti gli effetti, accettati e non più contestabili dall'Acquirente. Non si accettano rese delle merci se non preventivamente autorizzate per iscritto dal Venditore.

9. CONFORMITÀ ALLE SPECIFICHE E TERMINI DI GARANZIA

Il Venditore garantisce che i prodotti saranno conformi alle specifiche tecniche dichiarate dal Venditore stesso all'Acquirente nella conferma d'ordine e detta garanzia avrà validità per 2 (due) anni decorrenti dalla data di consegna dei prodotti e, per i prodotti o componenti sostituiti, dal giorno della loro sostituzione.

Nel periodo di garanzia, il Venditore al quale l'Acquirente abbia denunciato i difetti, si impegna, a sua scelta, entro un termine ragionevole, a riparare o sostituire gratuitamente i prodotti o le parti di esse che fossero risultati difettosi. Le spese e i rischi per il trasporto dei prodotti risultati difettosi alla sede del Venditore sono a carico dell'Acquirente. I prodotti sostituiti restano di proprietà del Venditore.

La garanzia decade nel caso di utilizzo non conforme alla destinazione finale abituale dei prodotti o non prevista nei cataloghi del venditore oppure se i prodotti sono stati modificati o riparati senza l'autorizzazione del Venditore.

10. GARANZIA PER L'ADEGUATEZZA DEI PRODOTTI ALLE SOLE NORME UE

Il Venditore garantisce che i Prodotti saranno conformi alle norme dell'Unione europea (UE) a essi eventualmente applicabili.

Nessuna garanzia viene rilasciata dal Venditore in merito alla conformità di tali Prodotti con le norme e i regolamenti, ivi espressamente incluse le norme in tema di sicurezza e di antinfortunistica, in vigore nella nazione dell'Acquirente, ove questi risieda al di fuori della UE, o più in generale, in qualsivoglia nazione che non appartenga alla UE in cui i Prodotti forniti vengono utilizzati.

11. RISERVATEZZA E TUTELA DEI DATI

I documenti di qualsiasi natura forniti dal Venditore rimarranno di sua proprietà e non possono essere trasferiti a terzi o riprodotti. L'Acquirente si impegna, anche dopo la fine del contratto a non divulgare i segreti commerciali e le informazioni riservate che siano state al medesimo comunicati o dei quali venga a conoscenza nel corso del suo rapporto con il Venditore.

Il Venditore con le presenti dichiara che utilizzerà i dati personali trasferiti dal Cliente nel rispetto delle previsioni del codice italiano sulla privacy (Decreto Legislativo n. 196/03).

12. RISOLUZIONE DEL CONTRATTO

Il contratto di fornitura potrà essere risolto di diritto ai sensi dell'art. 1456 c.c. per effetto della semplice dichiarazione scritta del Venditore di avvalersi della presente clausola risolutiva espressa qualora l'Acquirente:

- Ometta o ritardi i pagamenti dovuti;
- Venga posto in liquidazione o sia stato assoggettato ad una qualsiasi procedura concorsuale.

13. PROPRIETÀ INTELLETTUALE

Il Venditore conserva la proprietà intellettuale dei progetti, degli studi, dei disegni, dei modelli e dei prodotti che realizza o che vengono realizzati a suo nome e per suo conto. I marchi sotto quali i prodotti sono venduti non possono essere utilizzati dall'Acquirente se non per identificarli.

14. LEGGE APPLICABILE E MODALITÀ DI RISOLUZIONE DELLE CONTROVERSIE

Tutti i contratti con il Venditore saranno disciplinati dalla legge italiana. Qualsiasi controversia sarà devoluta alla competenza esclusiva del Foro di Torino.

CONDITIONS GÉNÉRALES DE VENTES

1. DOMAINE D'APPLICATION ET EFFICACITÉ

Toutes les fournitures de produits effectuées par Facet S.r.l. (le « Vendeur ») à un client (l'« Acheteur ») sont régies par les présentes conditions générales qui l'emportent sur les conditions générales d'achat de l'Acheteur ainsi que sur les conditions particulières établies dans les offres et/ou confirmations de commande du Vendeur. En cas de contraste entre ce qui est exposé dans les conditions générales et dans les conditions particulières, ces dernières l'emporteront.

Les données et les illustrations relatives aux produits telles qu'elles figurent aux catalogues ou brochures du Vendeur ont un caractère indicatif et n'ont aucune valeur contraignante sauf disposition contraire expresse dans la confirmation de commande du Vendeur et elles sont susceptibles de modifications sans préavis concernant le dessin et le matériel.

Les codes originaux (OE) indiqués dans les catalogues ou dans autres documents sont mentionnés uniquement pour identifier les pièces de rechange. Le Vendeur livre seulement produits de propre production et avec propre code article et non produits avec codes OE.

2. FORMATION DU CONTRAT

Le contrat de fourniture sera finalisé par la confirmation écrite du Vendeur d'acceptation de la commande de l'Acheteur. Le Vendeur se réserve le droit de ne pas accepter de commande en cas de litige en cours avec le client concernant une commande précédente.

3. PRIX ET PAIEMENTS

Sauf si les parties n'en conviennent autrement, les paiements du prix doivent être effectués par l'Acheteur dans les délais et aux conditions établis dans la confirmation de commande au domicile du Vendeur. Les paiements effectués par l'Acheteur à des apporteurs d'affaires et/ou agents sans mandat spécifique ne seront pas opposables au Vendeur.

En cas de retard de paiement, l'Acheteur sera tenu de verser des intérêts de retard au taux de la Banque Centrale Européenne en vigueur à la date en question, majoré de 7 (sept) points, sans préjudice de la faculté du Vendeur de demander les dommages intérêts pour tout dommage ultérieur.

L'Acheteur ne pourra pas, pour quelque raison que ce soit, sauf autorisation écrite, compenser ou garder toute somme due au Vendeur et il ne pourra non plus suspendre les paiements.

Les prix des produits s'entendent en Euros et sont hors TVA, emballage, frais de transport et d'assurance. Le Vendeur peut modifier les prix et les tarifs en vigueur à n'importe quel moment et sans préavis, sauf pour les commandes en cours. Cela en cas de renchérissement des matières premières, de la main d'œuvre, des transports, des prix d'assurance, etc.

4. DÉLAIS DE LIVRAISON ET MISE À DISPOSITION

Sauf si les parties n'en conviennent autrement dans la confirmation de commande, les fournitures des produits s'entendent pour mise à disposition de la marchandise selon les Incoterms 2010: FCA Orbassano. La marchandise voyage toujours pour le compte et aux risques et périls de l'Acheteur.

Les délais de livraison sont indicatifs et en cas de retard l'Acheteur n'aura aucun droit de demander la résiliation du contrat et/ou les dommages-intérêts.

5. RÉSERVE DE PROPRIÉTÉ

Les produits livrés restent la propriété du Vendeur jusqu'au complet paiement du prix relatif.

L'Acheteur aura le droit de vendre les produits achetés, ou les nouveaux produits ayant intégré les produits fournis par le Vendeur, étant entendu qu'en ce cas-là tous les revenus seront transférés au Vendeur jusqu'à concurrence du prix dû par l'Acheteur au Vendeur pour la fourniture desdits Produits.

Ce droit de vendre les produits expire dès lors que l'Acheteur n'aurait pas accompli son obligation de paiement pour une période de plus de 20 (vingt) jours ouvrables à partir de l'échéance. À cet effet, il incombe au Vendeur d'informer par écrit l'Acheteur de la révocation du droit de vendre. L'Acheteur devra mettre en œuvre toute mesure nécessaire pour la protection des produits faisant l'objet de la réserve de propriété ainsi que toute mesure permettant de ne pas confondre les produits du Vendeur avec les produits d'autres fournisseurs et de garder les produits du Vendeur dans des espaces bien délimités et facilement identifiables.

6. RESPONSABILITÉ DU VENDEUR ET LIMITATIONS

Le Vendeur ne sera responsable que de la bonne production des produits fournis, qui devront avoir les caractéristiques indiquées dans la confirmation de commande du Vendeur. Par contre, le Vendeur ne prend aucune responsabilité concernant l'éventuel mauvais fonctionnement de machines ou systèmes réalisés par l'Acheteur avec les produits fournis par le Vendeur.

ALLGEMEINE VERKAUFSBEDINGUNGEN

1. GELTUNGSBEREICH UND WIRKSAMKEIT

Für alle Lieferungen von Produkten durch die Gesellschaft Facet S.r.l. (der "Verkäufer") an einen Kunden (der "Käufer") gelten die vorliegenden allgemeinen Verkaufsbedingungen, die vor den Einkaufsbedingungen des Käufers sowie den besonderen Bedingungen in den Angeboten und/oder Auftragsbestätigungen des Verkäufers Vorrang haben. Sollten Widersprüche zwischen dem Inhalt der allgemeinen Bedingungen und dem Inhalt der besonderen Bedingungen bestehen, sind Letztere vorrangig.

Die Daten und Abbildungen in Bezug auf die Produkte in den Katalogen oder Broschüren des Verkäufers sind Beispiele und haben keinen bindenden Wert, wenn dies in der Auftragsbestätigung des Verkäufers nicht ausdrücklich vorgesehen ist. Zudem können diese Daten und Abbildungen Änderungen am Design und Material unterliegen, ohne dass diese vorher angekündigt werden müssen.

Die angegebenen Originalnummern in Katalogen oder anderen Dokumenten sind nur zum Zwecke der Identifikation angegeben. Der Verkäufer liefert nur Produkte aus eigener Produktion, die mit Facet Artikel-Nrn. und nicht OE P/Nr. identifiziert sind.

2. ZUSTANDEKOMMEN DES VERTRAGS

Der Liefervertrag kommt zustande, wenn der Verkäufer die Auftragsannahme des Käufers schriftlich bestätigt. Der Verkäufer behält sich das Recht vor, Aufträge nicht anzunehmen, wenn Streitigkeiten mit einem Kunden in Bezug auf einen vorhergehenden Auftrag vorliegen.

3. PREISE UND ZAHLUNGEN

Unbeschadet anderslautender Vereinbarungen, sind die Zahlungen vom Käufer innerhalb der in der Auftragsbestätigung vorgesehenen Zahlungsfristen und Modalitäten am Geschäftssitz des Verkäufers zu leisten. Zahlungen, die vom Käufer an Vermittler und/oder Vertreter geleistet werden, können ohne eine Sondervollmacht nicht beim Verkäufer geltend gemacht werden.

Im Fall von verspäteten Zahlungen ist der Käufer verpflichtet, Verzugszinsen in Höhe des von der Europäischen Zentralbank festgelegten und zu jenem Datum geltenden Zinssatzes zu zahlen, die um 7 (sieben) Prozent erhöht werden. Unbeschadet davon bleibt das Recht des Verkäufers, einen größeren Schaden geltend zu machen.

Der Käufer ist nicht befugt, aus welchem Grund auch immer, Summen, die dem Verkäufer zustehen, zu verrechnen oder einzubehalten oder die Zahlungen einzustellen, es sei denn, dies wurde schriftlich genehmigt.

Die Preise für die Produkte sind in Euro und ohne Mehrwertsteuer, Verpackung, Transportkosten und Versicherung angegeben. Der Verkäufer kann jederzeit geltende Preise und Tarife ohne Vorankündigung ändern. Dies gilt nicht für laufende Aufträge. Solche Änderungen können vorkommen, wenn sich die Preise für Rohstoffe, die Löhne, die Transportkosten und Versicherungspolizen usw. erhöhen.

4. LIEFERFRISTEN UND WARENRÜCKNAHME

Insofern nicht anders in der Auftragsbestätigung vereinbart, erfolgt die Lieferung der Produkte nach den Incoterms 2010: FCA (frei Frachtführer) Orbassano. Die Ware wird stets im Namen und auf Risiko des Käufers transportiert.

Die Lieferfristen verstehen sich als Richtzeiten. Im Fall von Verspätungen ist der Käufer nicht berechtigt, die Auflösung des Vertrags und Schadensersatz geltend zu machen.

5. EIGENTUMSVORBEHALT

Die gelieferten Produkte bleiben bis zur vollständigen Bezahlung des entsprechenden Preises Eigentum des Verkäufers.

Der Käufer ist berechtigt, die erworbenen Produkte oder neue Produkte, in welche die gelieferten Waren eingefügt werden, weiterzuveräußern, vorausgesetzt, dass alle Erträge in diesem Fall an den Verkäufer gehen, bis diese den Preis erreichen, den der Käufer dem Verkäufer für die Lieferung dieser Produkte schuldig ist.

Sollte der Käufer seiner Zahlungspflicht länger als 20 (Zwanzig) Arbeitstage nach Fälligkeit der Zahlung nicht nachkommen, verfällt dieses Recht auf Weiterveräußerung der Produkte. Diesbezüglich obliegt es dem Verkäufer, dem Käufer den Widerruf des Rechts auf Weiterveräußerung schriftlich mitzuteilen. Der Käufer muss jede notwendige Maßnahme zum Schutz der Produkte, die dem Eigentumsvorbehalt unterliegen, sowie alle Maßnahmen umsetzen, damit die Produkte des Verkäufers nicht mit denen anderer Lieferanten verwechselt werden. Der Käufer muss die Produkte des Verkäufers in abgegrenzten und leicht erkennbaren Bereichen aufbewahren.

6. HAFTUNG DES VERKÄUFERS UND BESCHRÄNKUNGEN

Der Verkäufer ist ausschließlich für die ordnungsgemäße Herstellung der gelieferten Produkte verantwortlich. Die gelieferten Produkte müssen die in der Auftragsbestätigung des Verkäufers vorgesehenen Merkmale aufweisen. Hingegen übernimmt der Verkäufer keinerlei Haftung für den eventuellen mangelhaften Betrieb der Maschinen oder Systeme, die mit den vom Verkäufer gelieferten Produkten realisiert worden sind.

Die Produkte müssen in angemessener Weise nur von zuständigen und qualifizierten Technikern verbunden sein und müssen nach den Bestimmungen der nationalen Vorschriften den Angaben des Fahrzeugs entsprechen.

In jedem Fall kann der Käufer keinen Schadensersatz für Profitausfall, Produktionsausfall, Verlust des Images und Stillstand des Kraftfahrzeugs geltend machen.

Die Haftung des Verkäufers beschränkt sich nur auf den Wert der gelieferten Ware unter Vorbehalt des Vorsatzes und des groben Verschuldens im Sinne des Gesetzes.

7. HÖHERE GEWALT

Sollte es dem Verkäufer unmöglich sein, den Vertrag aufgrund von höherer Gewalt oder von Ereignissen, die nicht von ihm zu vertreten sind, einzuhalten, dann werden die Fristen für die Ausführung der Lieferung automatisch um die Dauer der Ereignisse verlängert. Diesbezüglich sind rein beispielhaft ohne Anspruch auf Vollständigkeit als Gründe für höhere Gewalt anzusehen: Stromausfall, Mangel an Rohstoffen, Streiks, Maßnahmen der öffentlichen Verwaltung, Störungen im Straßenverkehr oder Produktionsstörungen.

8. REKLAMATIONEN und ANNAHME DER PRODUKTE

Alle Reklamationen in Bezug auf die Nichtkonformität der gelieferten Ware, Schäden durch den Transport oder eventuell fehlende Mengen gegenüber der bestellten Produktmenge müssen dem Verkäufer direkt und per Einschreiben mit Rückschein mitgeteilt werden. Diese Mitteilung muss bei offensichtlichen Mängeln innerhalb von 8 (acht) Tagen ab dem Lieferdatum und bei versteckten Mängeln innerhalb von 8 (acht) Tagen ab dem Datum, an dem diese entdeckt worden sind, und in jedem Fall innerhalb eines Monats nach Lieferung der Produkte erfolgen und eine ausführliche Beschreibung der Mängel enthalten. Mangels dieser Mitteilung werden die abgerechneten Beträge mit voller Rechtswirksamkeit als angenommen angesehen und können vom Käufer nicht mehr beanstandet werden. Warenrücknahmen werden nicht angenommen, wenn diese nicht vorher vom Verkäufer genehmigt wurden.

9. ÜBEREINSTIMMUNG MIT DEN SPEZIFIKATIONEN UND GARANTIEBEDINGUNGEN

Der Verkäufer garantiert, dass die Produkte mit den technischen Spezifikationen übereinstimmen, die der Verkäufer in der Auftragsbestätigung für den Käufer angegeben hat. Die genannte Garantie gilt 2 (zwei) Jahre ab dem Datum der Lieferung der Produkte. Für die ersetzten Produkte oder Bestandteile gilt die Garantie ab dem Tag der Auswechslung.

Während der Garantiezeit verpflichtet sich der Verkäufer, die mangelhaften Produkte oder Teile davon innerhalb einer angemessenen Zeit wahlweise kostenlos zu reparieren oder zu ersetzen, wobei der Käufer dem Verkäufer diese Mängel mitzuteilen hat. Die Kosten und Risiken des Transports der mangelhaften Produkte an den Sitz des Verkäufers gehen zulasten des Käufers. Die ersetzten Produkte bleiben Eigentum des Verkäufers.

Die Garantie erlischt, wenn die Verwendung nicht mit dem bestimmungsgemäßen Gebrauch oder mit den in den Katalogen des Verkäufers vorgesehenen Gebrauch der Produkte übereinstimmt. Die Garantie erlischt ebenfalls, wenn die Produkte ohne die Genehmigung des Verkäufers verändert oder repariert wurden.

10. GEWÄHRLEISTUNG IN BEZUG AUF DIE ÜBEREINSTIMMUNG DER PRODUKTE MIT DEN EU-NORMEN

Der Verkäufer garantiert, dass die Produkte mit den eventuell anwendbaren Normen der Europäischen Union (EU) übereinstimmen.

Für die Übereinstimmung dieser Produkte mit Normen und Richtlinien, die im Land des Käufers gelten, sollte dieser seinen Sitz außerhalb der EU haben, oder allgemein die in jedem Land außerhalb der EU gelten, in dem die gelieferten Produkte verwendet werden, übernimmt der Verkäufer keine Garantie. Von der Garantie ausgeschlossen sind ausdrücklich die Normen über Sicherheit und Unfallverhütung.

11. VERTRAULICHKEIT UND DATENSCHUTZ

Dokumente jeder Art, die vom Verkäufer bereitgestellt werden, bleiben in dessen Besitz und dürfen nicht an Dritte weitergegeben oder vervielfältigt werden. Der Käufer verpflichtet sich, auch nach Vertragsende keine Geschäftsgeheimnisse und vertrauliche Informationen weiterzugeben, oder von deren er im Lauf der Beziehungen mit dem Verkäufer Kenntnis erlangt hat. Der Verkäufer erklärt hiermit, die vom Kunden angegebenen sensiblen Daten unter Einhaltung der Bestimmungen im italienischen Datenschutzkodex (Legislativdekret Nr. 196/03) zu behandeln.

12. AUFLÖSUNG DES VERTRAGS

Der Liefervertrag kann im Sinne von Art. 1456 des ital. ZGB („codice civile“) durch die einfache schriftliche Erklärung des Verkäufers, dass er von dieser ausdrücklichen Aufhebungs Klausel Gebrauch machen will, von Rechts wegen aufgehoben werden, wenn der Käufer:

- die fälligen Zahlungen unterlässt oder verspätet leistet;
- der Liquidation oder einem beliebigen Konkursverfahren unterzogen wird.

13. GEISTIGES EIGENTUM

Die Rechte am geistigen Eigentum in Bezug auf Projekte, Forschungen, Zeichnungen, Modelle und Produkte, die der Verkäufer realisiert oder die in seinem Namen und auf seine Rechnung realisiert werden, verbleiben beim Verkäufer. Die Marken, unter denen die Produkte verkauft werden, dürfen vom Käufer nur verwendet werden, um diese erkenntlich zu machen.
